

NO ALCOHOLIC DRINKS:

Since the Sahara is essentially a dormitory style building aimed at young students, drinking or carrying of open containers of alcoholic drinks is not allowed anywhere other than inside the apartments and hotel accommodations.

NO SMOKING:

No smoking is permitted in indoor areas, including the apartments, recreation building, and our café & market. Smoking is permitted on the balconies of our hotel apartments and in other outdoor areas.

NO PARTIES, LIMITS ON NUMBER OF PEOPLE IN THE APARTMENT:

At the Sahara, we have a “No Party” policy. This rule is enforced based on a provision in our leases for the dormitory section of our community, as well as in the leases and registration forms for the guests in our hotel section, that sets a limit of 4 people that are permitted to be in an apartment at any one time.
